Darrell Moorhead
Staff Parish Relations Chair

Dear friends:

As you know, Dr. Ramsey will be retiring at this session of the Annual Conference held in June. We want to let you know of our plans to celebrate his retirement as we bring his fruitful ministry among us to a close. His request is for all of us to make the time to be in worship with him on one of his final two weekends among us. After each of the services we will have the opportunity to greet Ken and Charlea and have some refreshments on the porch. His final two weekends will be May 27-28 and June 3-4. He will be preaching at all services over those weekends. Some of you may be in attendance for both weekends, which is great, but in lieu of any "one time retirement party", his request is that we worship together as we have over these past 11 years and then greet after each service. The Women United in Faith and the Staff Parish committee are working together to honor this request. We truly hope you will make the time to come and worship on at least one of these weekends.

If you have the desire to honor his retirement monetarily, then he has asked that you consider donating to the non-profit, Life Reset, Inc. This is a non-profit that he formed some time ago that offers free counseling, comfort, and life guidance via zoom or in-person. He has already talked and guided several persons and churches amidst the pandemic and beyond. He will continue to offer this service as well as referral assistance to anyone who may be dealing with anxiety, uncertainty, grief, or lack of direction in life. You can support this effort by mailing a donation to LIFE RESET, INC. PO BOX 772 BRIDGEPORT WV 26330 or you can send a donation to the church and designate it for this ministry. Your regular stewardship will enable us to offer a token of appreciation to him otherwise, so consider a donation to this non-profit effort to celebrate his retirement. The website is LifeReset.org.

With every ending, God also provides new beginnings, and we will send information about welcoming Rev. Paugh and family at a later time. For now, we want to send our prayers, our love, and our best wishes to Ken and Charlea at this important time in their lives. Consider the above schedule of services and suggested responses. They will still be a part of our Bridgeport community and residing at 118 Circle Drive, Bridgeport WV 26330. Please join me in celebrating this wonderful time in their lives. If you have questions you can contact me at 304-677-6887. Thank you for your support of our church and Dr. Ramsey over these past 11 years.

In Christ's service,

Darrell Moorhead, Staff Parish Chair
